Slight imperfections to the Paint Finished Interior may occur during the assembly process. These imperfections shall be touched up by Windsor prior to shipment and constitute acceptable finish quality:

Fill	Finish	Length	Width	Area	Depth
N/A	Paint Pen	< 1/2"	< 1/16"	< 1/8" x 1/8"	≤ 1/32"
Colored Putty / Fill Stick					≤ 1/8"
N/A	Brush or Spray	< 1"	< 1/4"	< 1/4" x 1/4"	≤ 1/32"
Wood Filler					≤ 1/8"
Replace or Reprocess		>1"	> 1/4"	> 1/4" x 1/4"	> 1/8"

We recommend that customers follow these same guidelines for repairing imperfections caused in the field. Please refer to Windsor Touch Up Kit (Part#794131) for an easy solution for builder and homeowner field touch up. For larger paint needs provide your paint supplier with a color sample to match from or use the following formula at your local Sherwin-Williams store:

1 Gallon ProClassic® Waterborne Interior Acrylic Semi-Gloss Enamel, Deep Base; W1 – 11.0 oz White, B1 – 1/64 oz Black, Y1 – 1/128 oz Yellow.

For Paint Finished Interior warranty information please refer to the latest version of the Pinnacle Warranty, available on our website or from your Windsor distributor.
