|                                                                                     |        |                                           | Antique Nickel        |      | 2398022 |
|                                                                                     |        |                                           | Faux Bronze           |      | 2398004 |

#### Adjustable Hinge Notes:

- Door heights of 8-0 or less require 2 guide hinges and 1 set hinge. Door heights above 8-0 require 3 guide hinges and 1 set hinge.
- Handing is determined by which side of the panel the hinges are mounted as viewed from the exterior.
- Doors manufactured prior to Jan, 2010 have a different style of adjustable hinge. The hinges above will fit into the existing routes, however, they will look slightly different. To maintain a consistent look, replace all hinges at once.

#### Handleset Notes:

- These handlesets will work on both single-point, and multi-point hardware.
- For replacement key cylinders only, or to order multiple handlesets keyed alike, contact your inside sales representative.
- For doors with Contemporary handles produced prior to May, 2008, an additional screw hole will need to be drilled through the panel.
